Lovebirds

Terms of service

Lovebirds · Last updated 2 September 2026

These terms are the agreement between you and Lovebirds. By creating an account you accept them. If you do not accept them, do not use the app.

1. You must be 18

You may use Lovebirds only if you are 18 or older and legally able to enter this agreement. You confirm your age at signup. Creating an account while under 18, or on behalf of someone under 18, is a breach of these terms and we will delete the account.

2. Your account

One account per person. Give accurate details, use photos that are genuinely of you, and keep your password to yourself. You are responsible for everything done through your account. Tell us at support@rishtaandrang.app if you think someone else has access to it.

3. How to use the app

Lovebirds is for meeting people for friendship, a relationship, or marriage. Treat other members the way you would want your own family treated. Take conversations at the pace both of you are comfortable with, and respect a "no" the first time.

4. What is not allowed

You may not: impersonate anyone or use another person's photos; harass, threaten, stalk, or abuse another member; post or send sexual content involving minors, or anything involving a minor at all; solicit money, investments, or financial details from members; send commercial or promotional content; post hate speech or content attacking someone for their religion, sect, ethnicity, gender, or disability; share another member's private information, photos, or messages outside the app;

use bots, scrapers, or automated tools against the service; or attempt to access accounts, data, or systems that are not yours.

We remove content and suspend or terminate accounts that break these rules.

5. Your content

Your photos and words remain yours. By posting them you give us permission to host, store, and display them inside the app for the purpose of running the service. That permission ends when you delete the content or your account. You are responsible for having the right to post whatever you upload.

6. Safety and reporting

Block and report anyone who makes you uncomfortable — both are available from the chat screen and from any profile. Our safety team reviews every report.

We are not able to run criminal background checks on members, and a verification badge is not a guarantee about anyone's character or intentions. Meet in public. Tell someone you trust where you are going. Never send money to a member.

7. Explore+ and payments

Explore+ is an optional paid subscription. Prices, what is included, and the billing period are shown before you buy. Subscriptions renew automatically until you cancel, and you cancel through the app store you bought it from — that store, not us, handles billing and refunds under its own policy. Losing your subscription does not delete your account.

8. Ending the agreement

You can delete your account at any time from Settings → Privacy & safety.

We can suspend or terminate an account that breaches these terms, that we reasonably believe is fraudulent or unsafe, or where we are required to by law. Where it is safe and lawful to do so, we will tell you why. Serious breaches — anything involving a minor, credible threats, or fraud — end the account immediately and permanently.

9. What we do not promise

We provide the app as it is. We do not promise that you will find a match, that any member is who they say they are, or that the service will be uninterrupted or error-free. Members are responsible for their own conduct, on and off the app.

10. Limits on our liability

To the extent the law allows, we are not liable for indirect or consequential loss, or for the conduct of other members. Nothing here limits liability that cannot be limited by law, including for death or personal injury caused by our negligence, or for fraud.

11. Disputes and governing law

These terms are governed by the laws of the Islamic Republic of Pakistan, and the courts of Pakistan have jurisdiction over any dispute.

Before going to court, please email support@rishtaandrang.app — most complaints are resolved faster that way, and we will respond within 30 days.

12. Changes to these terms

We will tell you in the app before a material change takes effect. Continuing to use the app after that date means you accept the updated terms; if you do not, delete your account.
